## PATIENT-CENTERED NURSING CARE

Through the combined efforts of our nursing, therapy, activities, social services, and dietary departments, we make sure our patients and residents feel at home throughout their stay.

Our 24/7 skilled nursing team delivers a customized level of care to promote the wellbeing of every resident.

The regular presence of our Medical Director and Nurse Practitioner to oversee care – assures our residents are treated promptly and effectively, and minimizes the need for rehospitalization.

## POST-SURGERY CARE & ILLNESS RECOVERY

Our highly skilled therapists use the latest rehab equipment and techniques to **achieve outstanding results.**

**Physical, Occupational & Speech  
Therapy Offered 7 Days a Week**

## A CULTURE OF COMMUNITY

We understand the importance of keeping our residents active and engaged within the community at large.

Making sure to offer an abundance of opportunities for socialization, we schedule a broad range of activities, special events and outings. Our residents enjoy shopping trips and visits to area restaurants and attractions.
